

Technical data sheet · Self-adhesive laser labels

Labelling system

Identification	Type	LEB 0920
	Part-No.	681032

Use/Application/Characteristics

Application	<ul style="list-style-type: none">• For the printing with laser printer• The high-contrast printing and the high resolution of laser printers set quality standards• The available border and the appropriate row and column spacing enable the optimal utilisation of the entire labelling field of the self-adhesive labels• Very high resistance to external influences and very high ageing resistance of the printed image.

Technical data

Length	20 mm
Width	9 mm

Construction

Description	Self-adhesive laser labels
Application	Marker holder BZT 0920 MINICOMPACT DIOFACE Suppressors for valves all devices with standardised shield
Material	Polyester
Color	white

28.01.2017 – Subject to technical modification
