

# Technical data sheet · Self-adhesive laser labels

Labelling system

|                       |          |          |
|-----------------------|----------|----------|
| <b>Identification</b> | Type     | LEB 0415 |
|                       | Part-No. | 681034   |

## Use/Application/Characteristics

|             |   |
|-------------|---|
| Application | <ul style="list-style-type: none"><li>• For the printing with laser printer</li><li>• The high-contrast printing and the high resolution of laser printers set quality standards</li><li>• The available border and the appropriate row and column spacing enable the optimal utilisation of the entire labelling field of the self-adhesive labels</li><li>• Very high resistance to external influences and very high ageing resistance of the printed image.</li></ul> |
|-------------|---|

## Technical data

|        |          |
|--------|----------|
| Length | 15.24 mm |
| Width  | 4.23 mm  |

## Construction

|             |  |
|-------------|--|
| Description | Self-adhesive laser labels                               |
| Application | Marker holder BZT 0411<br>MICROCOMPACT-components 6.2 mm |
| Material    | Polyester  |
| Color       | white  |

## General

|                  |              |
|------------------|--------------|
| Labels per sheet | 792 Quantity |
|------------------|--------------|
