

### Model Number

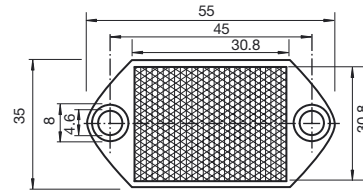

#### FE-RR15

Reflector, hexagonal 55 mm x 35 mm,  
mounting holes

### Features

- Rectangular, corner-cube reflector
- Temperature range: -4 °F to +140 °F
- Mounting holes for simple installation

### Dimensions

### Technical data

#### General specifications

Construction type circular

#### Ambient conditions

Ambient temperature -20 ... 60 °C (-4 ... 140 °F)

#### Mechanical specifications

Mounting mounting holes
