

# Product Key

## Piezo Electric Force and Strain Sensors

The correct order form must be taken from the corresponding data sheet.

### Force sensors

**DLPP 6MO-2.5-4.4**

#### Product Description

**DLPP** = Piezo electric force sensor

#### Series

- 8MO** = Micro sensor, 0,8 cable
- 6MO** = Miniature sensor, connector with thread M4 x 0,35
- 7MO** = Circular shape, connector with thread M4 x 0,35
- 4MO** = Circular shape, connector with thread UNF 10 – 32

#### Nom. Capacity

- 0.3** = 250 N
- 2.5** = 2,5 kN
- 010** = 10 kN
- 030** = 30 kN

#### Nominal Sensitivity

Example

- 4.4** = 4,4 pC/N
