

Technical data sheet · Cablefix Vario

Feed-through for all prefabricated cables and wires with connectors

Cable fittings and accessories

Identification	Type	CABLEFIX VARIO AKLR5
	Part-No.	606005
Use/Application/Characteristics		
Application	<ul style="list-style-type: none">• Electrotechnology, pneumatics, hydraulics, robotics, general machine and plant construction	
Characteristics	<ul style="list-style-type: none">• Feed through and terminal frames from high-quality solid material• Aluminum• High flexibility in the application• Additional mounting to existing installation easily possible• Even pressure effect on the feed through round material yields good strain relief and sealing• Unneeded holes in the module can simply sealed with blank plugs• Compact design i.e. space-saving• 2 module sizes with slot and suspension principle• Very good weathering resistance• Resistant to UV radiation, ozone, oils, fuels, acids, bases, solvents and sea water	
Technical data		
Dimensions (w × h × d)	188 × 78 × 30 mm	
Number of rubber modules VG=40×43.5	4	
Number of rubber modules VK=40×22.9	8	
Temperature range	-40 °C ... +135 °C	

28.01.2017 – Subject to technical modification
