|-----------------------|----------|----------------------------|
| <b>Identification</b> | Type     | LV-V24-5834 AC/DC 110-230V |
|                       | Part-No. | 705834                     |

|                       |                        |
|-----------------------|------------------------|
| <b>Technical data</b> |                        |
| Function type         | Suppressors for valves |
| Protection device     | Varistor + LED         |
| Nominal voltage       | AC/DC 110–230 V        |
| Rated frequency       | 50–60 Hz               |
| Connecting lead       | ∅ 3 – 5.5 mm           |

|                             |  |
|-----------------------------|--|
| <b>General</b>              |  |
| Form                        | CI,<br>Contact clearance 9.4 mm                  |
| Status indication LED       | LED yellow                                       |
| Housing material            | PA transparent UL94-HB                           |
| Protection class            | IP 67  |
| Field installation          | Breakaway torque 0.4 Nm                          |
| Termination                 | Screw terminal max. 18 AWG / 1.5 mm <sup>2</sup> |
| Seal                        | NBR  |
| Operation temperature range | -40 °C – 60 °C                                   |
| Dimensions (w x h x d)      | 15.6 x 27.8 x 34.0 mm                            |
| Weight (kg/piece)           | 0.012  |
| Standards                   | EN 175301-803 (DIN 43 650)                       |
| Approvals                   | UL recognized                                    |
