

Dimensions

Model number

U-G3FF

AS-Interface module mounting base for connection to flat cable (AS-Interface and external auxiliary power)

Function

The U-G3FF base is used for the connection of the G2 modules with small design to AS-Interface. In case of mounting the module the inserted flat cables are pressed into the contact prongs of the module and connected. For some modules this upper part establishes the connection to earth.

Technical data

Ambient conditions

Ambient temperature	-25 ... 60 °C (-13 ... 140 °F)
Storage temperature	-40 ... 85 °C (-40 ... 185 °F)

Mechanical specifications

Protection degree	IP67 according to EN 60529 (only in connection with module or cover)
Connection	AS-Interface flat cable
Dimensions	about 119, 60, 10 mm (L, W, H)
