

## Dimensions

### Model Number

**REF-C65**

Reflector, round  $\varnothing$  65 mm, mounting holes

### Features

- Mounting holes for simple installation

## Technical data

### General specifications

Construction type	circular
-------------------	----------

### Ambient conditions

Ambient temperature	-20 ... 85 °C (-4 ... 185 °F)
---------------------	-------------------------------

### Mechanical specifications

Material	PMMA/ABS
Dimensions	Diameter: 65 mm
Mounting	mounting hole
