Mounting Bracket LGXX 620 ASM

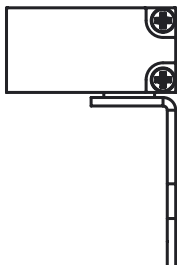

Mounting aid for light grid of LG96 and LG192 series

Features

- Mounting bracket
- Simple and fast mounting

Function

1. Ensure that the surface to be glued is free of grease and fluff.
2. Remove the protective paper from the adhesive tape.
3. Ensure that you do not touch the adhesive surface of the tape.
4. Immediately after removing the protective paper, press the mounting bracket onto the light grid.
5. The more evenly the mounting bracket is pressed on and the more force used, the better the surface contact will be.
6. The ideal working temperature is between + 15 °C and + 25 °C
