

# XCCRM23SUB37NG

deserialisation jumper cable - SSI Gray//Gray  
NPN (NG) - for encoder

## Main

|                                       |   |
|---------------------------------------|---|
| Accessory / separate part designation | Deserialisation jumper cable  |
| Accessory / separate part destination | Single turn and multiturn SSI encoder   |
| Accessory / separate part category    | Connection accessories  |
| Accessory / separate part type        | Jumper cable  |
| Product compatibility                 | XCC25..<br>XCC29..<br>XCC35..<br>XCC39..  |
| Cable length                          | 0.5 m   |
| Jumper cable type                     | SSI Gray (RS422)//Gray NPN  |
| Type of connector                     | SUB-D 37 male connector straight connector 2<br>M23 female connector straight connector 1 |
| Supply circuit type                   | DC  |

## Complementary

|                       |                          |
|-----------------------|--------------------------|
| Supply voltage limits | 11...30 V                |
| Protection type       | Short-circuit protection |
| Product weight        | 0.225 kg                 |

## Environment

|                                       |           |
|---------------------------------------|-----------|
| Ambient air temperature for operation | 0...50 °C |
|---------------------------------------|-----------|

## Offer Sustainability

|                          |   |
|--------------------------|---|
| Sustainable offer status | Not Green Premium product   |
| RoHS (date code: YYWW)   | Compliant - since 0701 - <a href="#">Schneider Electric declaration of conformity</a> |

The information provided in this documentation contains general descriptions and/or technical characteristics of the performance of the products contained herein. This documentation is not intended as a substitute for and is not to be used for determining suitability or reliability of these products for specific user applications. It is the duty of any such user or integrator to perform the appropriate and complete risk analysis, evaluation and testing of the products with respect to the relevant specific application or use thereof. Neither Schneider Electric Industries SAS nor any of its affiliates or subsidiaries shall be responsible or liable for misuse of the information contained herein.
